#WONDER IS ALL-AROUND

WONDER IS ALL-AROUND

 **AQUA MARINA**

2026-27

AQUA MARINA
2026 / 27

The wonder is already out there, quietly existing on alpine lakes, hidden coastlines, and open waters. Our mission is simply to engineer the tools that get you there. Through precision design, lightweight portability, and reliable performance, we remove the friction between you and nature. We handle the equipment, so you can focus entirely on the exploration.

Equip Your Journey. Explore The Wonder.

What's New

OUR INNOVATION

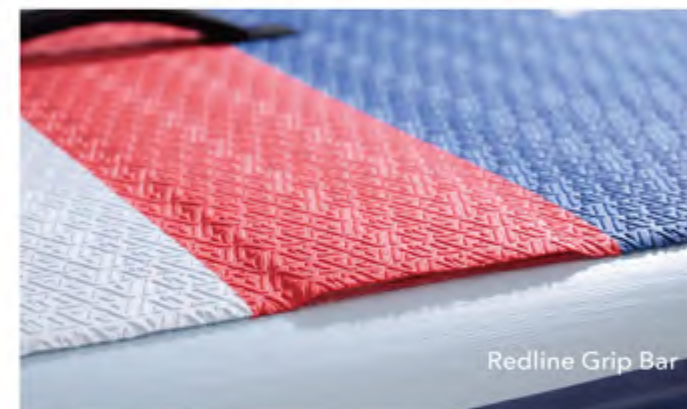

2-in-1 Carry Strap

Form Follows Function

This season, we've radically elevated our design with a relentless focus on functionality. Meticulously engineered in every detail to maximize performance and user experience, ensuring your next adventure is nothing short of extraordinary.

Redline Grip Bar

New All Around Advanced

We've integrated the all-new RedLine™ Grip Bar to lock in your stance, added a 2-in-1 carry strap for seamless carrying, and refined the board's shape - finished off with a bold, fresh look.

New Touring Advanced

Going the distance? The all-new TOURING ADVANCED is engineered for the long haul. With enhanced stability, maximized storage, and our cutting-edge Double Stringer Technology, you'll experience unmatched stiffness for a faster, straighter, and more efficient glide.

New Catamarans

The Catamaran collection has undergone a complete evolution. Featuring wider tubes, premium configurations, and an expanded range of models, it is purpose-built to meet the rigorous demands of professional water sports enthusiasts.

New Specialty SUP Boards

Discover the all-new racing, family, multi-person iSUPs and more. Featuring striking new graphics and major functional upgrades, these boards are meticulously engineered to exceed your expectations.

New Kayaks

Introducing an expanded range of kayaks tailored for diverse paddling environments and passenger capacities. The AQUA MARINA kayak lineup has never been more comprehensive - find your perfect partner on the water today.

iSUP BOARD

#explorewithoutlimits

Whatever your paddle style, there's an AQUA MARINA iSUP built for the journey. Designed for ultimate portability, our boards unlock uncharted waters - from deep coastal caves to tranquil oasis. Your next great adventure is out there. We're ready to take you to it.

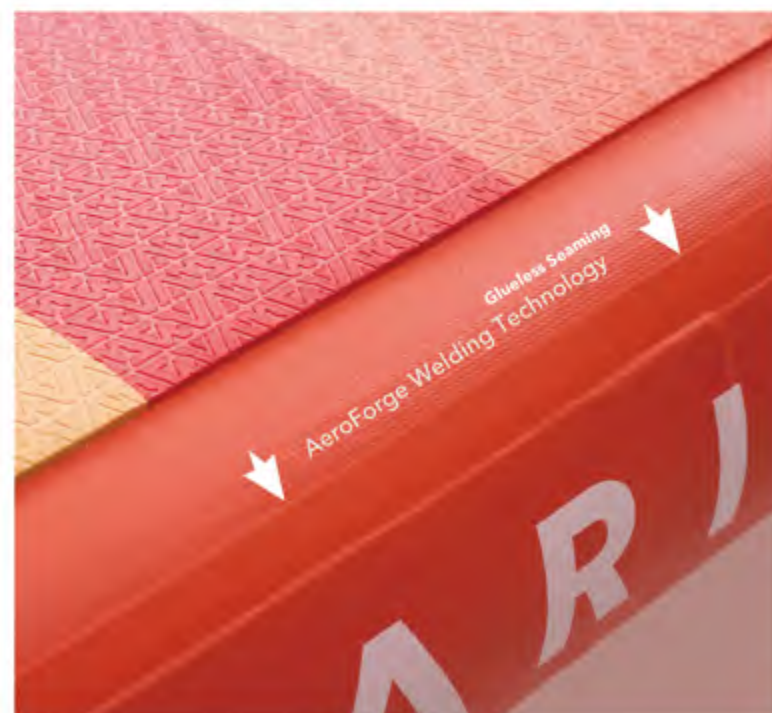

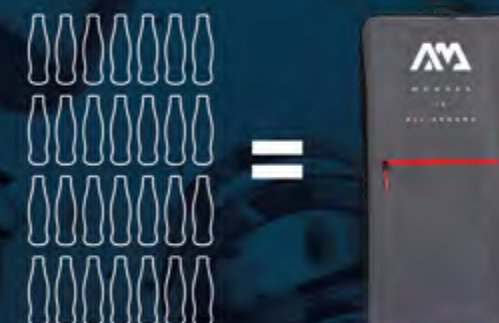

Built to Last. Crafted to Respect.

Our technological evolution is driven by a singular philosophy: performance and environmental responsibility are not trade-offs. By advancing our material engineering, we create vessels that are incredibly resilient against the elements, while systematically reducing our ecological footprint through cleaner manufacturing processes.

PADDLE RESPONSIBLY

Committed to ocean health and sustainability, we have stayed passionate about encouraging our users to paddle responsibly and preserve our oceans so they can be enjoyed for years to come. We continuously strive to create more environmentally conscious products so our natural treasures can continue to thrive.

Every year we aim to prevent over **3,000,000** plastic bottles from ending up in our landfills. Let's all do our part together.

Less Glue. More Integrity.

Introducing AeroForge™ hot-air welding. Traditional glues degrade in the sun, leading to seam leaks. We changed the game by using precision heat to permanently fuse the board's rails into a single, unbreakable layer. This eliminates leak risks, cuts toxic chemical use, and ensures an ultra-durable, eco-friendly ride. Maximum safety, zero compromises.

HF Welding

Heat Fusion

From High Frequency Welding to Heat Fusion Technology, AQUA MARINA adapts the most advanced glueless methods to suit each product's specific needs. We're stripping away chemical adhesives across our entire range to bring you a cleaner, greener, and exponentially stronger board.

Engineered for Every Rider.

By utilizing specific reinforcement structures across our collection, AQUA MARINA perfectly balances lightweight agility, supreme stiffness, and exceptional value. Purpose-built strength for specific environments so you can always find the board that speaks to your adventure.

AMgo ELECTRIC PADDLING

2027 NEW

AMgo-TURBO

Designed specifically for the BLUEDRIVE S electric propulsion system, the new AMgo-TURBO series features a purpose-engineered layout that makes battery mounting and system setup more convenient than on conventional SUPs. TURBO provides optimized weight distribution, enhanced rigidity, and a cleaner equipment setup, allowing riders to enjoy smoother cruising, improved efficiency, and longer journeys with less effort. Wrapped in a bold deep-blue colorway with dynamic geometric accents, it embodies the next generation of electric SUP adventure.

BLUEDRIVE S

- **POWER TO EXPLORE:** Compact, lightweight, and travel-friendly, this battery pack is designed for effortless adventures on and off the water. Easy to connect and quick to recharge, it delivers reliable power in a portable format, making electric paddling more convenient wherever your journey takes you.

- **ALL-AROUND ROCKER NOSE:** Smoothly lifted rocker nose enhances glide performance while maintaining control across varying water conditions.
- **COMFORT EVA PAD:** Premium EVA deck pad featuring geometric-pattern grooving for grip and comfort.
- **SLIDE-IN FIN SYSTEM:** Supports both standard fin and BLUEDRIVE S power fin for flexible switching; slide-in design allows tool-free, effortless installation and replacement.

WHERE THE DAY ENDS, THE ADVENTURE BEGINS

GLOWING

BLAZE / RAY / GLOW

When the sun goes down, the adventure doesn't have to end. The GLOWING series transforms every paddle into a unique after-dark experience, combining vibrant LED illumination with stable, versatile all-around performance. Whether you're exploring a quiet shoreline, sharing sunset sessions with friends, or standing out on the water after dark, the GLOWING series brings a new dimension of excitement to every journey.

BLAZE / RAY

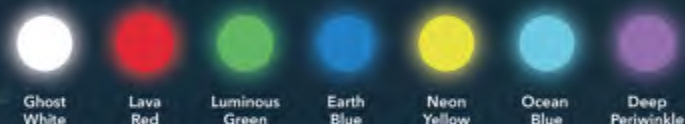

THE NEXT GENERATION OF GLOWING SUPS!

Available in two sizes and distinct color themes to suit different paddling styles. The advanced illumination system offers 7 color options and 4 dynamic lighting modes.

The upgraded illumination system delivers more consistent lighting performance while maintaining exceptional brightness. A portable, rechargeable battery pack keeps the system lightweight, practical, and easy to use.

HALO / AIRO

Tired of cumbersome gear?

Is a heavy backpack holding you back?

At AQUA MARINA, we believe getting to the water should be as effortless as paddling across it.

Meet AIRO and HALO, our lightest paddle boards yet. Crafted from lightweight TPU material, they are significantly lighter and more compact than traditional inflatable SUPs, making transport and storage easier than ever.

Perfect for spontaneous adventures and first-time paddlers, these boards are light enough to carry with one hand—so you can spend less time preparing and more time exploring.

PICOPACK™ DESIGN

Our PicoPack design revolutionizes portability by optimizing every aspect of our SUP gear, including materials, structure, and accessories, significantly reducing both weight and packed size.

SIRENIA

THE ULTIMATE FLOATING PLAYGROUND

Gather your entire crew and step aboard the SIRENIA – AQUA MARINA's colossal new multi-person paddleboard designed for unforgettable group adventures. At an impressive 15 feet long with an ultra-wide 56-inch deck, SIRENIA delivers a "party-ready" stability and spacious comfort for families, friends, kids, and pets to paddle, play, and relax together on the water.

Built with multiple reinforced carry handles around the board, SIRENIA allows groups to lift, launch, and transport the board together with ease, turning every session into a shared team experience. The dual fin system enhances straight-line tracking and control despite the board's massive size, while the dual air valve design significantly speeds up inflation and deflation, so less time is spent setting up and more time is spent making memories on the water.

SPECIALTY

RACING / FISHING / RIVER / SURF / WINDSURF

The SPECIALTY series brings together AQUA MARINA's most purpose-driven boards, each created for a unique way to experience the water. From wave riding and whitewater adventures to windsurfing sessions and fishing expeditions, every model is tailored to unlock new possibilities beyond conventional paddling.

Built for performance, precision, and adventure, these boards empower riders to explore their chosen discipline with greater confidence, capability, and excitement.

DOMINATE EVERY CONDITION

Introducing SONIC, the next evolution of Aqua Marina's race-proven design. Completely redesigned for 2027, this high-performance race board is engineered for paddlers who demand maximum speed, efficiency, and control. Available in competition-focused 24" and 26" widths, SONIC features a refined race outline developed to meet the demands of modern competitive paddling.

Reinforced with CFR™ (Carbon Fiber Reinforced) Technology and quadruple carbon stringers, it delivers exceptional stiffness, responsiveness, and efficient power transfer. Integrated race-start handles provide enhanced control and explosive acceleration off the line. Built for speed. Engineered to win.

PACKAGE INCLUDES

CIRCUPACK™

LIQUID AIR V1
Double Action Pump

Fiberglass
Racing Fin

Coil Leash

• **RACE-TUNED NOSE:** The elongated race nose is engineered to slice efficiently through the water, reducing drag and helping maintain speed over long distances.

• **SIDE RAIL PAD:** Built-in EVA side rail pad design, helping riders easily find balance during high-speed paddling.

• **CARBON FIBER REINFORCEMENT:** Carbon Fiber Reinforced (CFR™ Technology) quadruple stringers for stiffness and responsiveness.

• **KICK PAD:** Integrated tail kick pad enhances control for tighter turns and advanced maneuvers.

• **RACE HANDLES:** Designed for beach and technical race starts, the strategically positioned race handles provide faster board control and quicker acceleration off the line.

• **BACK END DESIGN:** Carbon fiber reinforced fiberglass racing fin for top speed potential, combined with hydrodynamic rail edges creating clean water release.

2027 NEW

DRIFT / FISHING /

DRIFT 11'6"

MASTER THE WILD

Designed specifically for anglers, the redesigned 2027 DRIFT delivers the stability, versatility, and comfort needed for long days on the water. Built around a full high-density DWF Drop-Stitch construction, DRIFT replaces traditional side chambers with a wider, more stable standing platform while improving glide efficiency and overall paddling performance.

Customization is at the heart of the DRIFT. Multiple integrated mounting bases and stainless steel D-rings make it easy to equip rod holders, fish finders, cameras, and other essential gear. Featuring a full-size EVA deck pad, DRIFT delivers exceptional comfort and stability from the first cast to the last.

PACKAGE INCLUDES

READY FOR EVERY CAST

From quick shoreline sessions to full-day expeditions, the DRIFT adapts to every adventure. Integrated mounting points make it easy to equip your favorite fishing accessories, while the spacious EVA-covered deck provides comfort, grip, and freedom of movement. Finished with built-in fish ruler for instant measurement and paddle holder carry strap to free your hands while fishing, the DRIFT keeps you focused on what matters most—the next bite.

BUILD IT YOUR WAY

From rod holders and accessory frames to insulated cooler boxes, optional add-ons let you create the ultimate fishing setup. The DRIFT's integrated mounting system makes upgrading simple, giving anglers the freedom to organize gear, increase comfort, and tailor every outing to the conditions ahead.

RAPID / RIVER /

RAPID 9'6"

With glide for beginner paddlers cruising streams and stability for experienced riders challenging rolling whitewater, the RAPID is all about versatility in wild water conditions. Featuring an ample nose and curved rocker line, this robust board excels in extraordinary responsiveness to challenge whitewater rapids or surf river waves.

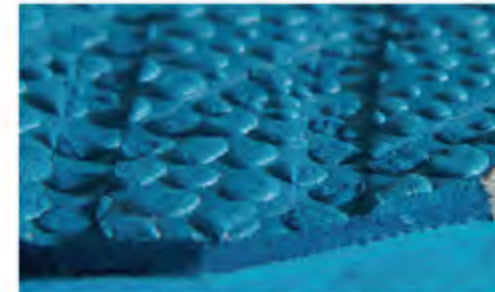

Constructed with AQUA MARINA's Double Layer Technology, this board is lightweight for easy transport and compact without sacrificing rigidity.

WAVE / SURF /

WAVE 8'8"

We've discovered a way for everyone to easily ride the waves with a paddle board for every water activity.

The incredible WAVE is upgraded with a narrower nose and squared tail for better maneuverability, making it the perfect surfboard for both beginners and intermediate surfers.

Coming in with a stunning look, the WAVE is designed for beginner to intermediate surf enthusiasts who want to easily catch waves and maneuver turns without compromising on speed.

18PSI
1.24BAR

MODEL	WAVE
ITEM NO.	BT-22WA
LENGTH	265 cm / 8'8"
WIDTH	75 cm / 30"
THICKNESS	10 cm / 4"
VOLUME	161 L
BOARD WEIGHT	7.9 kg / 17.4 lbs
MAX. PAYLOAD	95 kg / 209 lbs
MAX. AIR PRESSURE	18 psi
WARRANTY	24 months

To significantly enhance the wave-riding performance, we refreshed the WAVE outline by providing a narrower nose that is much lighter to maneuver through small and large waves, while a squared tail boosts turning ability. The larger nose rocker is also improved to limit nose-diving so you can catch wave after wave.

We've made remarkable advances to the WAVE's fin system. Its industry-leading thruster fin comes with an innovative "click and go" installation while new add-on side fins are shaped differently for use on the left and right for faster response. No matter the surf conditions, customise the WAVE for your unique needs.

- **NON-PRINT EVA FOOTPAD :** Non-print EVA footpad of diamond grooving crocodile skin, ensuring ultimate grip and comfort.
- **TAIL KICK PAD:** Built-in tail kick pad providing more support for reactive turning.
- **THRUSTER FIN SYSTEM:** Easy-to-use Swift Attach Fin System (SAFS™) specifically designed to catch waves and maneuver turns.

WINDSURF

Become a windsurfer when it gets windy!

Our WindSURF collection is designed to be as practical as possible for users of all-levels. Whether you are windsurfing or standup paddleboarding, the clip-and-go system makes it easy to switch for different experiences and wind conditions.

The BLADE windsurf SUP board caters to users of all-levels and offers exceptional performance as both a standup paddleboard and windsurfing board. Upgraded with a 6" thickness, the BLADE offers two sports in one by providing excellent maneuverability and all-around paddle potential. It delivers unlimited fun for those who would like to conquer the wind on the water.

EXPERIENCE TRANQUILITY

FITNESS

DHYANA / YOGA DOCK / PEACE

Say yes to new challenges by bringing your workouts onto the water!

Our FITNESS series adds an additional layer of difficulty to your typical yoga or fitness class, but we guarantee the views are worth it.

Find your balance and improve your core strength while being surrounded by nature's calm serenity for a workout unlike any other.

DHYANA / YOGA DOCK

DHYANA

Join nature's yoga class! The DHYANA was designed with yoga enthusiasts in mind. This ultra-versatile board has a refined shape and updated size for making it perfect for both exercise and all-around paddling. The full coverage EVA deck allows better grip as you conquer new yoga poses while the 2-in-1 carry strap offers the familiarity of carrying your yoga mat. At the end of a tough workout, enjoy its smooth glide on the water to cool down.

YOGA DOCK

Bring the whole class onto the water with our SUP YOGA DOCK, which can dock up to 8 DHYANA boards for an intimate training session on the water. Get up close and personal with your instructor to follow their movements with ease.

Are you ready to try SUP Yoga?

KEY FEATURES

- Ultra-elastic Red Strap™ bungee system
- Full sand-ripple deck featuring textured grooving for ultimate comfort and grip
- 2-in-1 carry strap designed for easy transport of both inflated and deflated boards (Inspired by traditional yoga mat straps, this versatile accessory will make portability a breeze.)
- Removable slide-in Center Fin for toolless installation

SUP-KAYAK HYBRID BOARD

MORPH

Stand, sit, or share the ride. The MORPH is your dynamic, featherlight gateway to the water. In a few effortless clicks, it transforms from a high-performance SUP to a comfortable kayak. Bring your family, your friend, or your pet; the expansive deck offers room for everyone. Shape your adventure today.

2027 NEW

MORPH

SHAPE YOUR ADVENTURE

Why choose between a paddleboard and a kayak when you can enjoy the benefits of both? MORPH is an innovative hybrid board that effortlessly adapts to the way you want to paddle.

Lightweight yet stable, MORPH delivers confidence whether you're paddling solo or sharing the deck with a partner. The oversized EVA traction pad provides excellent grip and comfort, while the spacious deck creates room for friends, family, or pets.

Equipped with a supportive seat and our versatile Dual-Tech convertible paddle, MORPH transitions seamlessly from a dynamic SUP to a comfortable sit-on-top kayak in seconds.

KAYAK CANOE

Every stretch of water tells a different story. Whether you're chasing distance, exploring hidden waterways, or simply escaping the everyday, AQUA MARINA's kayak and canoe collection are built to unlock new journeys and unforgettable experiences.

Where will the water take you?

THE NEXT EVOLUTION

Innovation starts from the inside out. Every AQUA MARINA kayak is built on a carefully engineered construction platform, combining advanced materials with purpose-driven design to maximize performance on the water.

From reinforced PVC workhorses to ultra-light TPU models and high-pressure drop-stitch technologies, each construction delivers its own unique advantages in stability, rigidity, portability, and comfort. Whatever your destination, there is a kayak engineered to take you there.

Reinforced PVC Kayak

Reinforced PVC + DWF Floor

/ TEAM / KASLO / CALIBER /

1. Kayak fabric of durable and premium reinforced PVC
2. Removable high-tensile and rigid DWF deck of 7cm thickness for better stability and rigidity
3. 2 side horizontal tube design makes the kayak stable and safe
4. Premium high-back seat with spongy cushion

Reinforced PVC + I-Beam Floor

/ BETTA /

1. Durable and heavy-duty reinforced PVC kayak fabric
2. Quality inflatable I-beam structure floor for strength & rigidity
3. 2 side air chambers for stability & safety
4. Comfortable PVC seat

Reinforced PVC + Ultralight EVA Floor

/ AETHER /

1. Durable and heavy-duty reinforced PVC kayak fabric
2. Quality EVA floor provides enhanced comfort and reduced overall weight.
3. 2 side air chambers for stability & safety
4. Premium high-back seat with spongy cushion

Heavy Duty Kayak

Heavy Duty Polyester Hull Cover + DWF Floor

/ MEMBA /

1. Durable polyester hull covers for long lasting UV protection
2. Ultra stiff drop-stitched double wall fabric made floor for being faster on the water across further distances
3. Heavy-duty PVC made side air chambers

Heavy Duty Polyester Hull Cover + I-Beam Floor

/ LAXO /

1. Floor cover and top hull of side chambers constructed of durable polyester hull covers for long lasting UV protection
2. Flat bottom floor for generous space, outstanding tracking ability and great stability
3. Heavy-duty PVC made side and floor air chambers

High Pressure Kayak

Drop Stitch DWF Material

/ TOMAHAWK /

Constructed with full drop-stitch Double-Wall Fabric (DWF), the Tomahawk stands as the fastest and most rigid kayak in our entire lineup.

1. Drop-stitch inflatable hull with a 7cm thickness
2. Drop-stitch inflatable deck with a 7cm thickness
3. Premium high-back seat with spongy cushion

Reinforced TPU Kayak

PACKAYAK™ TECHNOLOGY

Reinforced TPU Kayak

/ HALVE /

Unleash your kayaking potential with the ultra-lightweight PACKAYAK™, crafted from the game-changing TPU material. Enjoy remarkable stability and smooth rowing with the super large tank design and drop-stitch deck.

1. Horizontal tube design makes the kayak stable and safe
2. Removable high-tensile and rigid DWF deck of 7cm thickness for better stability and rigidity
3. Premium high-back seat with spongy cushion

Kayak Technology Guide

ANTI-UV PERFORMANCE

Heavy-duty outer fabric with UPF 50+ anti-UV coating treatment, effectively isolating ultraviolet rays for durability

WATER-REPELLENT COATING

Adopts exclusive water-repellent coating to boost overall fabric durability and repel surface water

SEAMLESS TUBE

Tube chamber seams are all High Frequency welded for a solid bonding strength

ARMORCORE™

High-density 1000D PVC with grid armor reinforcement, delivers reliable tear and puncture resistance, boosting overall toughness for rugged adventures

Building on its legacy as a fan-favorite, the STEAM remains a premium choice for all types of paddling. It is perfect for both performance touring adventurers and mild river enthusiasts. This year, it returns with striking new graphics while retaining its signature ultra-durable welded tube construction.

We've elevated the experience with a newly optimized drop-stitch floor design for ultimate rigidity, alongside upgraded ergonomic seats to ensure maximum comfort on longer journeys. With its streamlined outline delivering exceptional tracking and speed, this rugged, all-around champion is ready to tackle any adventure.

TECHNICAL FEATURES

SEAMLESS TUBE

Tube chamber seams are all High Frequency welded for a solid bonding strength

FOOT BRACES

Recessed foot supports provide secure bracing for comfort and paddling efficiency

Removable 7cm drop-stitch high pressure floor for ultimate stability and rigidity

V-CONE PROTECTION

Hard V-cone protection on both stem and stern for anti-collision purpose

DECK SHIELD™

Water shield preventing splash from flowing backwards to the cockpit

PACKAGE INCLUDES

Kayak Backpack

16" Hand Pump

Kayak Seat
(ST-312 x 1 / ST-412 x 2 / ST-475 x 3)

10L Dry Bag

Kayak Fins x 2

2027 NEW

CALIBER

ANGLING KAYAK

CALIBER 13'1"

The CALIBER is purpose-built for anglers who demand stability, comfort, and versatility on the water. Its extra-wide platform and high-volume construction create a remarkably stable fishing base, allowing you to stand, cast, and move confidently throughout the day. Designed around a modular fishing system, the CALIBER features multiple integrated mounting bases for fishing accessories. The comfortable folding fishing seat, EVA deck pad, and adjustable footrest system ensure lasting comfort during extended sessions on lakes, rivers, and sheltered coastal waters.

When the adventure calls for something different, the CALIBER easily adapts. Compatible with standard kayak seats and configured for tandem paddling, it transforms into a comfortable recreational kayak for exploring lakes, rivers, and coastal waterways with family or friends. Whether you're chasing your next catch or simply enjoying a day on the water, the CALIBER is built to do both.

MODEL	CALIBER
ITEM NO.	27CA-398

PACKAGE INCLUDES

Kayak Backpack

16" Hand Pump

Fishing Seat

Cup Holder

Kayak Fin x 2

We had comfort in mind. Coming in at 13 feet long and offering a max. payload of 180kg, the CALIBER has large welded side chambers for added stability and a drop-stitch floor for rigidity. The streamlined outline offers excellent tracking and superior glide.

FOLDABLE FISHING SEAT

Foldable aluminum fishing seat specially developed for long-duration back support.

DUAL FOOTREST SYSTEM

2 sets of fixing straps strategically placed for adjusting the footrest in both solo or tandem mode.

COMFORT EVA FOOTPAD

Diamond grooving sand-ripple exterior EVA footpad for ultimate grip and comfort.

V-CONE PROTECTION

Hard V-cone protection on both stem and stern for anti-collision purpose.

DECK SHIELD™ DESIGN

Water shield preventing splash from flowing backwards to the cockpit.

FISH RULER

Featuring a discrete 30-inch fishing ruler to make measuring a breeze.

UNIVERSAL MOUNT BASE

Equipped for easy mounting of after-market accessories like POV cameras, rod holders, fish finders and much more.

CUP HOLDER

New AQUA MARINA cup holder compatible with both small cans and large water bottles.

TOMAHAWK series comes with a marine-style colour way. Its modern design and stunning finishes are sure to command attention on any waters.

Carefully engineered to optimise speed and efficiency while maintaining comfort and stability, the AIR-K provides remarkable tracking and performance yet handles turns quickly and with ease. V-shape moulded keels under the bow and stern provide superior tracking. Fully constructed with our Drop Stitch Light Technology, you'll find impeccable quality, ultra-rigidity, and stability in one streamlined vessel.

For the bold adventurers at heart, the AIR-K is your perfect companion to go further and faster than ever before!

- **MOULDED KEEL:** Moulded keel under both bow and stern for remarkable water stroke efficiency.
- **DECK SHIELD™:** Water shield preventing splash from flowing backwards to the cockpit.
- **DRAIN VALVE:** 2 superfast self-bailing valves for fast water drainage.

TECHNICAL FEATURES

- Stiffer and faster than any traditional inflatable kayaks
- 3 separated air chambers for additional safety in long-distance adventures
- Adjustable footrest design for a comfortable journey
- Premium adjustable kayak seat with high backrest, spongy cushion and multiple storage pockets
- Water splash guard bow on both bow and stern

PACKAGE INCLUDES

TOMAHAWK AIR-C

SPEED CANOE

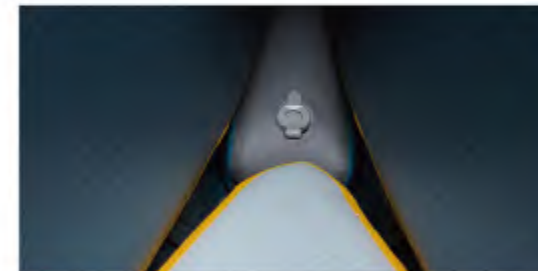

AIR-C 15'8"

Ready to go the distance! The TOMAHAWK AIR-C not only sports a stunning and modern design, but is driven by performance. Our revolutionary inflatable canoe is 40% lighter than hard canoes without sacrificing on delivery. Perfect for long distances with its large loading capacity, you can easily trek with 2 to 3 people and still have ample room for storage.

Created for explorers, the ultra-stable and rigid long waterline is great for tracking with its moulded keels. Our new AIR-C has also been upgraded to include anti-skid benches and a drop-stitch cushion to provide unparalleled comfort during paddling. This versatile 2 to 3- person canoe is ready for your next adventure right out of the box!

WATER PROPULSION DEVICE

Introducing the latest generation of AQUA MARINA's water propulsion devices. Our BLUEDRIVE line-up unlocks new ways to experience your best life on the water. Discover new locations, go faster, go further than ever before, and conserve energy when you need it. Enhance your SUP, kayak, and canoe experience with our BLUEDRIVE K & BLUEDRIVE S. Go beyond with our BLUEDRIVE X/XP which can be easily adapted for underwater exploration when snorkelling or diving.

BLUEDRIVE K

Go the Distance!

Designed for long-distance explorers, especially kayak and canoe lovers, the BLUEDRIVE K can be connected to an external battery of your choice to fit the length of your journey. Travel light for a short trek or bring on the heavy-duty batteries for the long haul. Featuring 2 speeds of 4km/h and 6km/h and a reverse gear setting. Go faster, go further than ever before while conserving your energy for activities!

- Designed for long-distance explorers
- Kayak lovers rejoice
- Customise your journey based on your travel habits

(*Battery not included)

EXTERNAL BATTERY AVAILABLE

Equipped with battery clamps for external battery (not included) connection.

The choice is yours to decide on the battery capacity.
(*Rechargeable waterproof battery pack is recommended.)

An electric power fin designed to fit almost all types of watercrafts with a fin box.

Helping you to extend trips and save more energy when fighting against winds and currents.

BLUEDRIVE K

SPEED	Low Speed up to 4 km/h
	High Speed up to 6 km/h
	Reverse Speed up to 1.8 km/h
RUNTIME	Depends on the External Battery (not included)
MOTOR POWER	12V DC, 240W
CONTROL BOX	230 x 122 x 64 mm / 9.1" x 4.8" x 2.5"

CREATE YOUR OWN ADVENTURE

CUSTOMISE YOUR JOURNEY

Can be connected to an external battery of your choice to fit the length of your journey.

REVERSE GEAR

Equipped with a reverse gear for anglers to easily manipulate their vessels, ideal for a day of fishing on the water.

GREAT MOBILITY

Ultra-light at only 7.1 lbs / 3.2 kg (net weight) to take along - minimum weight with maximum performance.

BLUEDRIVE S

Designed for short-haul explorers, or if you're just looking for a little boost on your SUP journey. The BLUEDRIVE S features an efficient Li-ion battery with a runtime of up to 60 minutes. Easily adjust your speed via our easy access remote control with 2 speeds of 4km/h and 6km/h. Paddle further than ever before and discover something new.

- Designed for short-haul travelers
- SUP paddlers' best companion
- Powered by green Li-ion battery, airline legal

LI-ION BATTERY

PORTABLE POWER PACK

Weighing only 2.8lbs (1.25kg), our rechargeable lithium-ion battery is extremely light while highly efficient for great portability.

An electric power fin designed to fit almost all types of watercrafts with a fin box.

Helping you to extend trips and save more energy when fighting against winds and currents.

BLUEDRIVE S

SPEED	Low Speed up to 4 km/h High Speed up to 6 km/h

ENGINEERED FOR THE DEMANDING

INFLATABLE CATAMARAN LANDING CRAFT

THE ULTIMATE MULTI-PURPOSE CATAMARAN

Built around a highly efficient tunnel-hull design and a rigid drop-stitch deck, the new AIRCAT series delivers outstanding stability and control in challenging water conditions. Whether navigating choppy coastal waters or cruising inland lakes, its catamaran architecture ensures a secure and capable ride. For 2027, the AIRCAT lineup expands with a spacious new 4-meter model and larger-diameter side tubes across the entire range. These upgrades provide greater buoyancy, increased payload capacity, and enhanced confidence on the water.

THE ULTIMATE MULTI-PURPOSE CATAMARAN

Designed for everything from diving and fishing to family outings and camping adventures, the AIRCAT adapts effortlessly to every mission. Its signature open-bow design simplifies beach landings, boarding, and gear loading, creating a seamless transition from shore to water. Newly integrated grab handles improve portability and handling ashore. Pack it into your vehicle, launch with ease, and enjoy the freedom of a capable boat without the need for a trailer.

TECHNICAL FEATURES

- Open bow design for easy access
- Built-in oar lock system for easy rowing
- Marine grade plywood transom for outboard motor
- The high quality anti-collision rubber strake will keep the boat well-protected when there is an impact
- Upgraded slide bailer for quick and easy water drainage

INFLATABLE YACHT TENDER

VENTURE

The best destinations aren't always the ones on the map.

The VENTURE is designed for water enthusiasts seeking a lightweight, dependable tender for everyday use. Combining the stability of a catamaran hull with the convenience of an inflatable design, it delivers smooth handling, easy transport, and reliable performance wherever the day takes you.

Compact enough to store with ease yet spacious enough for passengers, gear, and supplies, the VENTURE is equally at home making quick trips to shore, exploring sheltered waters, or serving as a versatile companion for life on the water.

MORE THAN A WAY ASHORE.

A great tender does more than connect boat and shore—it expands where you can go and how you experience the water. Lightweight, stable, and remarkably practical, the VENTURE combines catamaran efficiency with inflatable convenience to create a dependable companion for every outing.

Its twin-hull design delivers enhanced stability and smooth handling, while the spacious interior provides comfortable room for passengers, supplies, and everyday gear. Easy to transport, quick to deploy, and simple to operate, the VENTURE is built for effortless crossings, spontaneous detours, and the freedom to make every journey part of the adventure.

TECHNICAL FEATURES

- Removable wooden Bench seat
- Built-in oar lock system for easy rowing
- Mounted grab handles
- Marine grade plywood transom for outboard motor
- Anti-collision rubber strake helps protect the hull from impacts and abrasion
- Upgraded slide bailer for quick and easy water drainage

PACKAGE INCLUDES

Carry Bag

LIQUID AIR V1
Double Action Pump

Oar Set

REDEFINING PORTABLE FISHING

INFLATABLE FISHING BOAT

PILOT

Built for anglers who go further.

Designed as a capable inflatable fishing boat, the PILOT delivers the stability, space, and confidence needed for serious days on the water. Its reinforced construction and practical deck layout provide a dependable platform for fishing gear, tackle, and passengers, while the inflatable design keeps transport and storage simple.

Whether heading out for early-morning casts, exploring quiet fishing spots, or spending long hours on the water, the PILOT is built to keep anglers comfortable, organized, and ready for the next catch.

2027 NEW

PILOT

PILOT 11'6"

GO WHERE OTHERS CAN'T

Built for anglers who chase untouched waters, the AQUA MARINA PILOT is a compact inflatable fishing boat designed to unlock remote fishing grounds, shallow backwaters, and narrow river channels. Lightweight, maneuverable, and motor-ready, it delivers the freedom to explore beyond traditional launch points and crowded shorelines.

With a reinforced bow, removable bench seat, and spacious open deck, the PILOT offers a practical platform for casting, gear storage, and everyday utility. Whether powered by paddle or outboard, it's the perfect companion for fishing, exploration, and adventure off the beaten path.

INFLATABLE BOAT

• **ANTI-COLLISION RUBBER STRAKE:**
High-quality rubber strake protects the hull from impacts and abrasion.

• **ADJUSTABLE WOODEN BENCH:**
Removable wooden bench can be repositioned for flexible seating and deck layout.

• **D-RINGS & SAFETY ROPE:**
Integrated D-rings and perimeter rope provide convenient attachment points and added security on the water.

• **UNIVERSAL MOUNT BASE:**
Multi-purpose mounting base allows quick installation of accessories and equipment.

• **DECK GUARD & DRAIN VALVE:**
Protective keel strip enhances durability, while the drain valve allows quick water evacuation when needed.

• **MARINE-GRADE TRANSOM:**
Marine-grade plywood transom supports outboard motors for reliable propulsion.

FIND YOUR WAY TO THE WATER

INFLATABLE SPEED BOAT

A-DELUXE

Compact and lightweight, these inflatable boats make great ship to shore tender crafts or a highly portable adventure craft for on-the-go boating.

A-DELUXE

BT-88810 / 88830 / 88850 / 06300 / 06330 / 06360

HIGHLIGHTS

- 3 or more separate internal air chambers
- 4 Deck choices: slat wood, inflatable, wood or aluminum deck for great stability, portability or durability
- 2.5m-3.6m boat range to give more size options
- Compatible with gasoline motor up to 20HP
- Comfortable rowing seat position
- Coated transom for protection of sea water infiltration and dings from regular rigging

INFLATABLE BOAT

Easily bring your roll-up boat with you to the lake, beach, or anywhere! With a set up time of mere minutes, skip the trailers and special equipment to enjoy a performance boat on the water. Easily access new surroundings and explore places previously only seen from the shore.

TECHNICAL FEATURES

- Built with heavy-duty marine grade reinforced PVC
- Built-in oar lock system for easy rowing (BT-06360 excluded)
- High pressure inflatable keel for excellent water dividing and tracking performance (BT-88810/30 excluded)
- The high quality anti-collision rubber strake keeps the boat well protected during impact

PACKAGE INCLUDES

CLASSIC

The fishing experience is accessible for all avid fishermen. Incredibly versatile, this all-around boat is perfect for fishing, river floating, or good old fun on the water. There are multiple ways to get this raft moving. You can paddle the old fashioned way or add an optional trolling motor for greater distances.

KEY FEATURES

- Super tough reinforced PVC fabric with High Frequency Welding Technology
- 2+1 air chambers; safety grab line around the boat
- Constructed with solid inflatable floor
- Roomy 2+1 boat size weights only 37.5lbs (17.0kg)
- Fishing rod holder designed on both side of boat
- Ideal for fishermen, campers or recreational boaters

BOAT ACCESSORIES

LI-T20 RECHARGEABLE ELECTRIC PUMP

- High-pressure inflation up to 20 PSI
- Rechargeable lithium battery design
- Dual-function inflation and deflation operation
- Automatic shut-off at preset pressure
- Digital pressure display for precise control
- Up to 40 minutes of runtime per charge*

Equivalent to inflating approximately 3 SUP boards. Actual performance may vary depending on board size and inflation pressure.

EP-T16 ELECTRIC PUMP

- 12V DC electric pump up to 16psi, 110W.
- Inflates iSUP boards, kayaks, boats and air platforms.
- LCD screen.
- Cigarette lighter or battery attachable.
- Inflate: 70L/min.

SPEEDY BOAT CANOPY

- Size: 33.5" x 39" (85 x 100cm)
- 600D polyester canopy fabric
- 1.8mm thickness of aluminum tubes
- Foldable for easy storage
- Installs in minutes
- For CLASSIC, DELUXE (BT-88810/88830/88850)

INFLATABLE LAUNCHING WHEEL

- Designed to enable one man launching of inflatable boat, dinghy, tender.
- Constructed of heavy-duty marine grade stainless steel.
- Comes with heavy-duty wheels, 10" in diameter.
- Max. load 350 lbs (159 kg).

T-18 ELECTRIC TROLLING MOTOR

- DC12V. Max.180W, IPX4. Current: 14.7A.
- Weight: 2.35kg/5.18lbs.
- Shaft Length: 24"/60cm. Total Length: 29.5"/75cm.
- Speed level: (Fwd/Rev) 1/1.
- Max Thrust: 8kg/18lbs.
- Compatible with MOTION, WILDRIVER & CLASSIC BT-88891 / 92.

AREO I 18" HAND PUMP

- Double action pump.
- Five universal valve fittings are included.
- Accordion-style hose stretches to 47" (120cm) long.
- Volume: 2 x 2000cc.
- Measurement range: 0-8psi.
- Inflation and deflation.
- Air pressure gauge included.

AREO II 16" HAND PUMP

- Double action pump.
- Five universal valve fittings are included.
- Accordion-style hose stretches to 47" (120cm) long.
- Volume: 2 x 1400cc.
- Measurement range: 0-8psi.
- Inflation and deflation.
- Air pressure gauge included.

AREO III 11" KAYAK FOOT PUMP

- Tough heavy duty bellow provides extra fast inflation and deflation.
- Extra-long flexible hose, two interchangeable universal valves included.
- Easy to attach, hose-to-pump connection inflates or deflates.
- Inflates to 2 psi.
- Volume: 5L.

AREO IV 8" KAYAK FOOT PUMP

- Tough heavy duty bellow provides extra fast inflation and deflation.
- Extra-long flexible hose, two interchangeable universal valves included.
- Easy to attach, hose-to-pump connection inflates or deflates.
- Volume: 3L.

PERSONAL FLOTATION DEVICE (PFD)

Made of lightweight polyester oxford fabric and EPE foam, the Aqua Marina Personal Flotation Device (PFD) is quick-drying, comfortable and protective, perfect for various occasions, such as SUP paddling, kayak paddling and boat cruising. The adjustable webbing straps give the vest unisex fit, suitable for almost all body sizes and shapes.

This PFD has passed the EN ISO 12402-5:2020 buoyancy aids standards, recommended to be used in calm, sheltered waters where help is close at hand if required.

SIZE	Chest Size (CM)	Weight (KG)	Buoyancy (N)
XS/S (B0304670)	71-91	30-50	40
M/L (B0304671)	91-111	50-70	45
XL/XXL (B0304672)	111-127	70+	50

PONCHO PORTABLE FITTING ROOM

Get ready for the water faster than ever before! Like a portable changing room, our ponchos offer superb discretion on the go so you can change in or out of your beachwear and dry off from anywhere.

MICROFIBER CHANGE PONCHO

B0303946 (MEDIUM) B0303947 (LARGE)

Quick-drying material, designed for easily changing in and out of sportswear when hitting the water while the absorbent material dries you off after.

WATER-REPELLENT THERMAL PONCHO

B0303948 (MEDIUM) B0303949 (LARGE)

Waterproof and made to keep you warm and dry in frigid weather conditions. Easily slip this on for additional protection from the elements.

MEDIUM: Recommended for 5'0"-5'11" (152cm-180cm)
LARGE: Recommended for 5'11"-6'8" (180cm-203cm)
* Change ponchos are designed to be oversized with plenty of room to get changed.
* If you are on the borderline of two sizes, the larger option is recommended.
