FOR EVERY PLAYER

The Big Name in Darts

"For Every Player" and "The Big Name in Darts" are more than just slogans – they are the foundation of everything we do at Unicorn. With more World Championship titles than any other brand and over 1.4 billion darts thrown in commercial venues worldwide, Unicorn is the most successful name in darts. Global. Trusted. Unmatched.

Driven by the Game

Unicorn has championed dart players at every level since our inception. In 1951 we signed our first player ambassador. In 2004, we established the first Unicorn Academy. Combined, that's nearly 100 years of direct commitment to players from grassroots to the world stage. Through sponsorships, partnerships, and player pathways – we've helped shape darts into the sport it is today.

Innovation and History

At Unicorn, it's about continual improvement, learning from our history and always moving forward. Since 1937, we've built our legacy on constant innovation, listening to partners and players, and creating products For Every Player.
